- One of the most popular open source electronic medical records in use

OpenEMR Features

- Free
- Certified
- Patient Portal
- Reports
- Multilanguage Support
- Security
- Free Support
- Vibrant Community

My Contribution

▸ Prettify the "Acknowledgments, Licensing and Certification" page

▸ That means
- ◦ Make this page look good
- ◦ Add some CSS style and maybe some JavaScript
- ◦ Add the OpenEMR logo to this page
- ◦ Add links to other pages of the project
- ◦ …

Any Questions?

Thank you for your attention
